

# Disability in the SDGs: Forming Alliances and Building Evidence for the 2030 Agenda

18<sup>th</sup>-19<sup>th</sup> February 2016

## PROGRAMME

Thursday		
9:30-11:00	<b>Plenary 1: Disability and the SDGs</b>	<b>Chair: Diane Kingston (UNCRPD and CBM)</b>
	Hannah Kuper (ICED)	Welcome to LSHTM and introduction
	Alarcos Cieza (WHO)	WHO's perspective on Disability in the SDGs
	Catalina Devandas Aguilar (Special Rapporteur on the Rights of Persons with Disabilities)	Making sure no one is left behind: the importance of Social Protection for Disability Inclusion
	Liz Ditchburn (DfID)	Putting the SDG's for people with disabilities into practice
	Priscille Geiser (HI)	Making It Work: Evidence-Based Advocacy and Alliances towards 2030 Agenda enforcement for persons with disabilities
11:00-11:30	<b>Tea break</b>	
11:30-1:00	<b>Workshop session 1</b>	
1:00-2:00	<b>Lunch</b>	
2:00-3:00	<b>Plenary 2. Disability Measurement</b>	<b>Chair: Juliet Milgate (Sightsavers and Co-chair Bond DDG)</b>
	Carla Sabariego (Institute for Public Health and Health Services Research, Ludwig Maximilians University)	Measuring Disability: the WHO Model Disability Survey in the light of the national implementations in Chile and Sri Lanka
	Jennifer Madans (National Center for Health Statistics and Washington Group on Disability Statistics)	Mainstreaming Disability Data: The Washington Group on Disability Statistics'
	Islay MacTaggart (ICED)	Measuring Disability in Population Based Surveys: Evidence from Cameroon and India
	Arne H Eide (SINTEF)	Predictors of participation restrictions
3:00-3:30	<b>Tea break</b>	
3:30-5:00	<b>Workshop session 2</b>	
5:00-6:30	<b>Drinks reception</b>	
Friday		
9:30-10:30	<b>Plenary 3: Evidence of Best Practice in Disability-Inclusive Development</b>	<b>Chair: Carrie Netting (DfID)</b>
	Babar Qureshi (CBM)	Inclusive Eye Health Study, Pakistan
	Johannes Trimmel (IAPB)	Universal health coverage: ensuring enjoyment of the right to health for persons with disabilities
	Emma Jolley (Sightsavers International)	Disaggregating routine monitoring data by disability: an example from eye health
	Sarah Polack (ICED)	Cost of exclusion and gains of inclusion of people with disabilities
10:30-11:00	<b>Tea break</b>	
11:00-12:30	<b>Workshop 3</b>	
12:30-1:30	<b>Lunch</b>	
1:30-2:30	<b>Wrap up and call to action</b>	<b>Chairs: Allen Foster (ICED) and Dom Haslam (Sightsavers)</b>

## WORKSHOPS

### SESSION 1: THURSDAY 11.00am-1.00pm

<b>1. Humanitarian Response</b>		<b>Room: John Snow A</b>	<b>Chair: Pierre Gallien (HI)</b>
Brigitte Rohwerder (Institute of Development Studies)	Disability inclusion and exclusion in development and humanitarian response: a state of the evidence.		
Mathilde Leonardi (Italian Neurological Institute Carlo Besta IRCCS Foundation)	Measuring Disability in Emergencies: results from the mega Typhoon Yolanda's survivors functioning and disability Survey		
Sherin Ahmed , Inclusion Advisor, Islamic Relief UK	Including Disability and Age in Humanitarian Contexts: Looking at views from affected populations and possible ways forward using the ADCAP multidimensional approach to building capacity in age and disability inclusion in humanitarian programming		
Deepak Rah Sapkota for Ram Krishna Tapa (Karuna Foundation)	Disability and emergency responses and rehabilitation in the aftermath of 25th April Earthquake in Nepal		
Abigail Aston (HI)	The implementation of the Injury and Rehabilitation Sub-cluster in response to the Nepal Earthquake: lessons for future co-ordination of rehabilitation in emergencies		
<b>2. Access to health and rehabilitation</b>		<b>Room: LG6 and LG7</b>	<b>Chair: Antony Duttine (HI)</b>
Morgon Banks (ICED)	Barriers to uptake of health and rehabilitative services for children with disabilities in Malawi and Nepal		
Sian White (LSHTM)	Barriers to accessing water, sanitation and hygiene for disabled people in Malawi.		
M Maclachlan (Centre for Global Health, Trinity College Dublin)	Access to health and rehabilitation in the GATE (Global Collaboration on Assistive Technology) project		
Dorothy Boggs (HI)	Sustaining ability of the physical rehabilitation sector using the participatory sustainability analysis process methodology to assist with systems level planning		
<b>3. Poverty</b>		<b>Room: John Snow B</b>	<b>Chair: Kirsty Smith (CBM)</b>
Kengo Igei (Japan International Cooperation Agency Research Institute)	Multidimensional Poverty of Persons with Disabilities in South Africa: Comparative Analysis Using Large-scale Data		
Nora Groce (UCL)	Bridging the Gap: Initial Report on a new Project Exploring Disability and Development in Four African Countries		
Andrew Shepherd (ODI-CPAN)	Optimising use of existing quantitative and qualitative data to understand link between disability and chronic poverty: study in Bangladesh		
Valerie Karr (School for Global Inclusion and Social Development, University of Massachusetts, Boston)	No One Left Behind: Tracking Aid to Vulnerable Communities Pilot		
<b>4. Disability measurement: child</b>		<b>Room: LG8</b>	<b>Chair: Jerome Bickenbach (Lucerne)</b>
Elena De Palma (Istat National Institute of Statistics)	The UNICEF-WG new survey tool for measuring child functioning and disability.		
Beth Sprunt (Nossal Institute for Global Health, University of Melbourne)	Disability disaggregation of Fiji's Education Management Information System – is the Washington Group/UNICEF children's functioning and disability module fit for purpose?		
Hannah Kuper (ICED)	The Malawi Key Informant Child Disability Project		

Julia McGeown (HI)	Lessons Learnt from trialling the Washington Group module for child functioning and disability in Indonesia. (as part of Handicap International's IE project)
--------------------	---

**SESSION 2: THURSDAY 3.30pm-5.00pm**

<b>1. Access to sexual and reproductive health</b>		<b>Room: LG6 and LG7</b>	<b>Chair: Lorraine Wapling (UCL)</b>
Estelle Pasquier (International Technical Expert - HIV/SRH and Disability Research Coordinator. 5% Initiative AIDS, TB, Malaria - Expertise France)	HandiVIH. A population-based survey to understand the vulnerability of people with disabilities to HIV and other sexual and reproductive health problems in Cameroon: methodological considerations and preliminary results		
Cathy Vaughan (University of Melbourne)	Increasing access to sexual and reproductive health services for women with disability in the Philippines: Evidence from the W-DARE project		
Eva Burke (Consultant)	An exploration of barriers and enabling factors for young people with disabilities to access sexual and reproductive health services in Senegal		
<b>2. Education</b>		<b>Room: John Snow B</b>	<b>Chair: Ingar Duering (GIZ)</b>
Kerstin Wittemeyer (Birmingham University)	A study of the experiences of people with disabilities and their families on enablers and barriers to education in Mali and Senegal		
Nidhi Singal (Cambridge University)	Addressing barriers to schooling of children with disabilities in rural India: issues of laboratories not laboratories		
Paul Lynch (Birmingham University)	Emerging priorities from an early childhood development and training programme in Malawi for families with children who have visual impairment		
Marcella Deluca and Maria Kett (UCL)	Assessing the knowledge, attitudes and practices around education of children with disabilities in Mashonaland West Province, Zimbabwe		
<b>3. Community Based Rehabilitation</b>		<b>Room: John Snow A</b>	<b>Chair: Joerg Weber (ICED/CBM/WHO)</b>
Bob Bowers (Griffith University)	Attributable impact of CBR in north west Bangladesh		
Catherine Mason (Ludwig-Maximilians University)	Development of a Set of Indicators for Monitoring Community-Based Rehabilitation		
Jean Elphick (University of Johannesburg and Afrika Tikkun)	Developing innovative mixed methods to evaluate the outcomes of a CBR Empowerment Programme in South African townships		
Johan P Velema (Enablement)	It is time to measure the success of CBR		
Valentina Lemmi (LSE)	Community-based rehabilitation for people with disabilities in low- and middle-income countries: A Systematic Review		
Mary Wickenden (UCL)	Participatory Inclusion Evaluation (PIE): A flexible approach to evaluating the impact of CBR and inclusive development programmes.		
Aidan Leavy (Plan International)	A global programme model to promote the inclusion of children with disabilities.		
<b>4. So you want to do research about disability? Discussion on planning, implementation, and moving findings in to practice.</b>		<b>Room: LG8</b>	<b>Discussion lead by: Hannah Kuper (ICED), Dorothy Boggs (HI) and Christiane Noe (CBM)</b>

**SESSION 3: FRIDAY 11.00am-12.30pm**

<b>1. Social protection/livelihoods</b>		<b>Room: John Snow A</b>	<b>Chair: Tim Wainwright (ADD)</b>
Yvonne Kuhnke, Sellah Lusweti and Prof. Halimu Shauri (Technische Universität München)	Accounting for Social Impacts? Chances and limitations of the Social Return on Investment approach in the field of livelihood promotion		
Acheampong Enoch, Anthony Kwaku Edusei, Wisdom Kwadwo Imprah, and Isaac Owusu (Centre For Disability And Rehabilitation Studies, Kwame Nkrumah University Of Science And Technology)	Social construction of disability stigma and its effects on disabled people's participation in the socio-economic activities in their communities.		
Eliana Rosas Aguilar (Ministry of Labour and Employment Promotion (Peru))	Introducing disability-oriented public employment services in Peru		
Ola Abu Alghaib (University of East Anglia)	Social Protection and Disability: Towards a more inclusive approach?		
Matthew Walsham (ICED)	Social Protection for People with Disabilities: Assessing the level of need and inclusion through a mixed methods approach		
<b>2. Violence</b>		<b>Room: LG81 (Lucas)</b>	<b>Chair: Maria Kett (UCL)</b>
Karen Devries (LSHTM)	The Good School Toolkit for reducing violence among primary school children with disabilities: a cluster-randomised controlled trial in Uganda		
Nambusi Kyegombe (LSHTM)	Inclusion of children with disabilities in child protection mechanisms in Malawi and Uganda		
Rob Aley (Advantage Africa)	Exploring the contextual factors which perpetuate high rates of sexual abuse of people with disabilities in East Africa: a participatory study in Kenya and Uganda		
Marion Steff and Margo Greenwood (Sightsavers, UK & Ifakara Health Institute, Tanzania)	Voices of the marginalised in Tanzania: what did we hear?		
<b>3. Inclusion measurement and promotion</b>		<b>Room: John Snow B</b>	<b>Chair: Lars Bosselman (CBM)</b>
Alex Cote (IDA)	Beyond outcomes monitoring: Analysing public budget to support CRPD implementation and inclusive SDGs		
Kathy Al Ju'beh (CBM)	Exploring critical fault lines for achieving de-facto equality for people with disabilities in Agenda 2030		
Jess Blijkers (LIGHT FOR THE WORLD and Enablement)	Roads to Inclusion - a tool to reflect and plan action towards inclusion		
Pierre Gallien (HI)	The SCOPEO Tool: Measuring the impact of our interventions: quality of life, safety, and social and family participation		
Judith Baart (Light for the World Netherlands)	My Story, My Rights: Using stories of persons with disabilities for measuring disability inclusion.		
<b>4. Club foot</b>		<b>Room: LG9</b>	<b>Chair: TBD</b>
Angela Margaret Evans (Glencoe Foundation; La Trobe University)	The Bangladesh clubfoot project: audit of two years outcomes in 400 children and four-year outcomes in 103 children treated with the Ponseti method		
Tracey Smythe (ICED)	Zimbabwe's first Ponseti Clubfoot Clinic based at Parirenyatwa Hospital, Harare: A review of the initial two years of the programme		
Rosalind Owen (Global Clubfoot Initiative)	Global spread of Ponseti treatment for children with clubfoot		

## POSTER PRESENTATIONS

	Author	Title
1.	Josie Ellis	The Survival and inclusion of disabled children in Uganda
2.	Grace Ryan	Measuring Mental Health for Sustainable Development: Lessons from Benue State, Nigeria
3.	Alessandra Battisti, S. Corradini, L. Martinez, Sara Corradini	Scholastic inclusion of students with disability in Italy
4.	Ameer Ulla Siddiqui	“Use of Information Technology to Help Students with Disabilities”
5.	Asifa Khanum, Ms. Doortje Braeken	Knowledge , attitude and management of physical and mental changes undergone by young people with disabilities in Pakistan
6.	Aude Brus; Rozenn Bégin-Botokro	Effects of stimulative physical therapy on development of children aged from 6 months to 5 years-old with acute severe malnutrition, Bamako (Mali, 2014-2015)
7.	Dr Rachel Lindoewood	Introducing local production and use of postural support devices made from appropriate paper-based technology (APT) for young children with Cerebral Palsy through Kenyan Community Based Rehabilitation (CBR) Programmes.
8.	Dr Debbie Kramer-Roy	Developing The Role Of Occupational Therapy In Inclusive Education In Pakistan
9.	Dr Felix Silwimba	Polio survivors Are Key to the attainment of SDGs in Africa.
10.	Dr Stephen Thompson	Disability and eye health in Mozambique - Barriers to refractive services
11.	Mr Joseph Ampratwum	Knowledge, attitude and preparedness of teachers towards inclusive education in the New Juaben Municipality in the Ashanti Region of Ghana
12.	Eric Badu	Access barriers to health care among Persons with Disabilities in the Kumasi Metropolis of Ghana
13.	Julia McGeown	Linking Inclusive Education and Rehabilitation, using the “access to services” approach
14.	Kathrin Schmidt	The ability to think inclusively – ‘dis/ability and inclusion’ as elements in academic study programmes
15.	Lauren Foster Mustardé, Jonathan Watkins, Rachel Tainsh	Alternatives to institutional care of young children in Tajikistan: a pilot foster care programme
16.	Lorena Rauedys Leite da Cruz, Silvia Ferrite	Estimated coverage of newborn hearing screening among users of the Brazilian National Health System (SUS), 2008-2011
17.	María Antonia Irazábal	Sweeping Barriers: Access to Sexual and Reproductive Health Access in Uruguay (In Spanish)
18.	Opoku Boadi Douglas	Employer’s perception of the capabilities of persons with disabilities in the Asante Mampong Municipality, Ghana
19.	Owusu-Appiah Emmanuella	Assessing the inclusion of disability studies in the curriculum of selected programs in College of Health Sciences – Kwame Nkrumah University of Science and Technology
20.	Petra Kiel	Monitoring on Inclusion
21.	Ruth Peters, Wim van Brakel, Marjolein Zweekhorst, Joske Bunders, Irwanto.	How to reduce leprosy-related stigma?
22.	Saskia van Veen and Judith Baart	Story telling as an instrument of inclusion: from personal experience of people with disabilities to the participatory monitoring process.

## Disability in the SDGs: Forming Alliances and Building Evidence for the 2030 Agenda

18<sup>th</sup>-19<sup>th</sup> February 2016

23.	Sruthi Mahadevan	Barriers to inclusive education for children with disabilities in India: a human rights approach.
24.	Stefanie Gregorius	The role of mothers in disabled children's access to healthcare and rehabilitation services in Ghana: exploring retrospective narratives of disabled young people
25.	Steve Crump	See Hear – Now; Addressing the Challenge of HIV and Deaf Young People
26.	Tess Bright	Measuring hearing loss in population-based surveys: evaluation of methodologies and recommendations for future protocols
27.	Yvonne Frizzell	10 years' experience in Paediatric Rehabilitation in Khyber Pakhtunkhwa, Pakistan, single centre study
28.	Adjei Gyimah Akwasi	Assessing the Inclusion of Women with Disabilities in Family Planning Programs in Kumasi Metro: A case study of Physical and Hearing Impaired Women
29.	Amrita Ghataure	A cost-utility Analysis of Screening for Vision Impairment in School Children Using Peek compared to standard Practice in Kenya.
30.	Asare Gertrude	Assessing Support Services for Deaf People at Tafo Government Hospital in Ashanti Region of Ghana
31.	Naomi Gyamfi	The relevance of vocational training programs in three vocational training centres in Ashanti Region of Ghana to persons with disabilities
32.	Hagan Abenaa	Accessibility Of The School Environment Of Basic Schools To Physically Disabled Children In The Bantama Sub-Metropolis Of Ghana.
33.	Owusu Isaac, Budainooson Amy and Anthony K Edusei	The Ghana Disability Law, Private Businesses and the Employment of Disabled Persons in Ghana.
34.	Wilhelmina Laudy Naa Dedei Tagoe and Mprah Kwadwo Wisdom	Inclusion Of Disability Studies And Related Issues In The Curricula Of Health Assistant Training Schools. A Case Study Of The Kokofu Health Assistant Training School.
35.	Diana Hiscock	How is the ADCAP project and the pilot version of the Minimum Standards for Age and Disability Inclusion in Humanitarian Action aiming to meet needs and improve access for older people and people with disability in Kenya and Pakistan?
36.	Opoku Maxwell Peprah	Participation of persons with disabilities in political activities: Perspectives of persons with disabilities in the Buea municipality in Cameroon
37.	Israel Adekunla Balogun	Accessing Sexual and Reproductive Health Services by Women with Disabilities in Northern Nigeria: Barriers and Opportunities. A Qualitative Study.
38.	Nicole Votruba	FundaMentalSDG: a global initiative aiming to strengthen mental health in the post-2015 SDG development agenda.
39.	Shamaila Usmani	Using the Mental Health Innovation Network to form alliances for disability
40.	Diane Kingston	Synergies: the UNCRPD and the SDGs
41.	Deepak Rah Sapkota / Betteke de Gaay Fortman	The development, pilot, evidence and scaling up of the Inspire2Care model (a program blend of avoidable disability prevention and CBR): The model was regarded as one of the 5 best practices among 37 countries in Asia.
42.	Dadun, Wim H van Brakel, Ruth MH Peters, Mimi Lusli, Marjolein BM Zweekhorst, Joske FG Bunders, Irwanto	The SARI Project: a randomised controlled trial of interventions to reduce stigma in Cirebon, Indonesia
43.	Kelly James	Exploring community level access to Ghana's district assembly common fund disability component: Lessons learnt from a case study district

6

## Disability in the SDGs: Forming Alliances and Building Evidence for the 2030 Agenda

18<sup>th</sup>-19<sup>th</sup> February 2016

44.	Maria Zuurmond, Marjolein Baltussen, David O' Banion, Sandra Carsamer, Gifty Nyanteg, Sarah Polack	A mixed methods baseline study: understanding the impact of a parent training programme for children with cerebral palsy.
45.	Wim van Brakel	Reducing disability-related stigma and discrimination – lessons for measuring impact of interventions on disability inclusion in Indonesia

## NGO STANDS

### Location: South Courtyard (Café)

- 1 OT Frontiers
- 2 Carers Worldwide
- 3 Handicap International
- 4 Global Disability Watch
- 5 MAITS (Thursday only)
- 6 CTI (Thursday only)
- 7 ADAPT
- 8 CBM
- 9 Sightsavers
- 10 Photovoice (Thursday only)
